

ANIMAL CHAMPIONS

Now you've completed a whopping ELEVEN at home challenges with Young Vets Club. We've loved having you as part of the adventure!

Young Vets Club is part of Worldwide Veterinary Service, working tirelessly across the globe so that every animal can access the care they deserve.

AS YOU KNOW, YOUNG VET ADVENTURER, ANIMALS NEED 5 THINGS TO BE HAPPY. THESE ARE:

A SUITABLE
DIET

A SUITABLE
ENVIRONMENT

TO BE
PROTECTED
FROM PAIN

THE RIGHT
COMPANY

TO BE ABLE TO
SHOW NORMAL
BEHAVIOUR

ACTIVITY 1: Think about your pet, or your favourite animal, and draw them at their very happiest! How can all their needs be met?

OPTIONAL ACTIVITY 2: Make a poster to teach people about the 5 needs. You could choose 1 or do all 5. You could even create copies of your poster and share them with your community or school. What an animal champion you are!

OPTIONAL ACTIVITY 3: Come up with a fun way to remember all 5 needs. How about a dance, or a rhyme?

Share your ideas with us!

HOW ABOUT??

Using your voice at school and suggesting an assembly or school event on World Animal Day, which is October 4th. Your teachers can find ideas on wvs.org.uk/education
